

DHS CLUBS LIST TRIMESTER I

INTRODUCTION

We will have an Activities Fair, that will run on September 21. This will provide the students with a valuable and unique opportunity to find out what every club is showcasing and exposing of different activities and skills. Every club running in the coming trimester, will promote its activities in a separate well-decorated stand in the Lower Gym. Also, this trimester we have provided you with the opportunity to sign-up to your preferred club during the fair through online laptops.

So...

The following list is the list of clubs that will run during Trimester 1. Clicking on the club name, will take you to a Club Info Sheet, that will tell you all about the club information.

Enjoy and good luck!
